Career

Look for a career where you can use your abilities to carry out projects in minute detail. These projects must be perfect, and you will not be under pressure to limit the time it takes to complete them. For instance, if you go into interior design, you should have clients who have enough money to spend so that you can do an elegant job.

Occupation

You are not particularly well suited to a business or commercial life, since these demand a practical nature which you do not possess. Moreover, many of them entail monotony and routine which would grate very harshly on your artistic temperament. Let it be said that, while you would fail in these directions, there are plenty of occupations in which you ought to do remarkably well. There are many branches in the world of music where you would find congenial work. Literature and the drama may be cited as other suitable outlets for your talents. Generally speaking, you have an aptitude for several of the highest professions. The law and medicine may be instanced. But, while mentioning the latter, it must be admitted that some of the pathetic sights which the doctor sees might shake your finely-balanced temperament.

You are physically very strong but can overwork yourself at times. Whatever you do, you try and execute it with perfection while feeling a little pressured, as a result of which you attain fruitful results. Try not to feel overconfident when your senior or boss praises you. Act wisely in your professional life, as it is going to incur favorable outcomes. Devote a little more time towards meals and post-meal walks. Eradicate the laziness inside you and at the same time, remain aware of your habit of overworking. Avoid taking long holidays. In terms of health, you may suffer from heart-related diseases, but you will also be able to overcome them. If you have performed excessive work, society will honor you.

You will want him or her, however, to listen attentively to your troubles. But, you will not have the patience to give a sympathetic ear to others.

Finance

You are not likely to be lucky with partners in business. You will be more likely to be architect of your own fortune than receive much help from others. But, there is no reason for you not to eventually succeed and even become wealthy. In matter of finance, your quick-witted clever brain will give you great opportunities. At times your are likely to be very rich and at other times the reverse. When you have money you will be extravagant, when without it you can adapt yourself to the lowliest sphere. This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. Moon in your 3rd house:

The results of the 3rd house, when the Moon is placed therein, will be influenced by the Mars, Mercury and Moon. Here the Moon proves highly beneficial to ensure a long life and great wealth or riches for the native.

If there are no planets in the 9th and 11th houses, then Mars and Venus will give good results to the native because of the Moon being in the 3rd house.

With the advancement of the native's education and learning, the economic condition of his father will deteriorate, but without affecting his education adversely. If Ketu's placing in the horoscope is auspicious and not harming the Moon in the 3rd, the education of the native will bear good fruits and prove advantageous in every manner.

If the Moon is malefic, it will cause great loss of wealth and money at the age of the malefic planet placed in the 9th house.

Remedies

(1) Offer in donation the things associated with the Moon, e.g., silver or rice, after the birth of a daughter and the things associated with the Sun e.g., wheat and jaggery when a son is born.

(2) Do not make use of your daughter's money and wealth.

(3) To avoid the evil effects of a malefic planet in the 8th house, serve the guests and others by offering them milk and water freely.

(4) Worshipping Goddess Durga and obtaining the blessings of small girls by touching their feet after serving them food and sweets.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
